

Houston Office Opening – Fall 2008

Milburn Partners has successfully provided recruiting and placement services all over the country for over 7 years. We service both major and small markets in a very personal way. In the Fall of 2008, we expanded our service staff to the Greater Houston market to personally interface with both clients and candidates in this important healthcare market.

D'Anna Eggers is our Greater Houston service consultant. She has over 20 years of healthcare experience both in California and Texas and while at HEALTHSOUTH Corporation was a colleague of Milburn Partners' Founder and President, Carolyn Milburn. She a Texas A& M graduate, and her experience and expertise has been in healthcare business development, marketing, managed care / payor development and operations for mainly ancillary service lines including psychiatric and rehabilitations hospitals, physical rehabilitation and diagnostic centers and ambulatory surgery centers.

Holding executive management positions as well as being a former an owner / partner of a physical rehabilitation company, D'Anna understands the importance of relationship development to best determine the needs and characteristics of both employers and employees for successful placements.

D'Anna's concentration of expertise and experience in all aspects of Managed Care and PayorDevelopment allows Milburn Partners to now offer consulting services in the following areas:

- Payor Mix Ananalysis
- Analysis of Costs vs Contract Reimbursements
- Contract Reviews and Negotiations to improve both for language and reimbursement
- Payor Relations
- Development and pursuit of New Payor Contracts or Contract Addendums to increase business is area.
